Take Home Check List

The following items are products that I recommend for your new puppy and should be purchased before your new bundle arrives home.

Some of the brands listed happen to be a few of my “favorites” and can be purchased through PetEdge by ordering online (www.petedge.com) or by calling 1-800-738-3343 to receive a catalog. For a local store in Minnesota...Pet Junction in Shoreview (694 & Rice Street).

The examples listed are PetEdge order numbers.

CRATE TRAINING

Wire Crate, minimum size 36”L x 23”W x 26”H

www.fortresspetcrates.com

Crates can also be purchased from Allure for ~\$40.00

Bedding/Pad for Crate. You may want to start with a towel until puppy is trained for ease of washing. Once trained, try a pad.

COLLARS & LEASHES

Buckle Collar...start with 12”-14” (you will need to enlarge as puppy grows)

Example: TP114 10”-16”, 5/8” wide

Example: TP114 18”-26”, 1” wide

Leather 6’ Leash (best for your hands and required by obedience schools)

Example: CP63564, CP66964

Flexi Lead (nice to have once puppy reaches 6 months)

Example: FE711, FE712, ZW661

FEEDING

Food & Supplements: Eukanuba Large Breed Puppy Food. You will be feeding this till puppy is 9-12 months of age. Vitamin C/500mg...see Puppy Care for dosing.

Stainless Steel Food Dish – 2 quart.

Example: ProSelect items ZW15064, ZW69064

Stainless Steel Flat-Sided Pail (1-quart for puppies and 2-quart for adults)

Example: ZT64401 (1-quart) and ZT64402 (2-quart). You can pick up snap hooks (double-ended) from hardware store for hanging pales in crates.

GROOMING

Nail Trimmer

Example: TP401 Millers Forge Orange Handle

Example: RS747 Resco Jumbo

Styptic Powder (stops nail bleeding if you accidentally quick while clipping the nails)

Example: TP91215

Pin Brush (Most valuable and will be used most often)

Example: #1 All Systems Pin Brush AL89562 or AL43010

Example: TP60600

GROOMING CONTINUED

Metal Comb

Example: TP90614

Deshedding

Example: AL10018...Slicker Brush #1 All Systems

Example: ZX82215...Furminator ([Allure can get this at a discount](#))

Pure Pearl Shampoo, Pure Gentle Shampoo or HyLyt Shampoo* (only use shampoo for dogs-human shampoo will dry the coat.

Example: PA0804

*HyLyt Shampoo is available from your Veterinarian and is recommend to use when Frontline is being applied.

Waterless Shampoo (great for touch ups when a full bath is not needed)

Example: BG416

Scissors and Thinning Shears (for trimming feet and ears etc)

Example: MF190 Thinning Shear

Example: MF183 Straight Edge

Hair Dryer...If you plan on letting your golden swim frequently or plan on bathing him/her yourself, this is great to have around. It is important to get coat dry after swimming or a bathing to prevent "hot spots".

Example: DK20009 or DK22001

TOYS

We recommend having plenty of stuffed toys and chew bones around. The choices are endless. The bones I have listed are the safest choices for your puppy/dog.

Example: RI10206...6", RI10210...10", once older, ZX413, TF209, TF176

MISCELLANEOUS

Stain and Odor Control (for accidents on carpet)

Example: Natures Miracle NM11016

Example: See Spot GO TM0152 (Not recommended for Berber)

Exercise Pen...these are handy to have, especially if you do not have a fenced yard but never leave puppy or adult unattended.

Example: ZW12136...36" high
